2. Scope of Agreement

These Terms and Conditions (together with a Quotation, Purchase Order, Letter of Intent, Letter Agreement, Authorization to Proceed, or any such other document relating to purchase by Buyer of products and/or services from Seller) are the sole and exclusive agreement between Buyer and Seller, and supersede any and all prior or contemporaneous agreements. Any Buyer that receives goods or services or makes any claim with regards to a price quotation accepts and agrees to these Terms and Conditions.
- b. No changes or amendments shall bind either Party unless in a Signed Writing in accordance with Section 8 of these Terms and Conditions.
- c. Unless agreed to in a Signed Writing and in the event of conflict between these Terms and Conditions and any Quotation, Purchase Order, Letter of Intent, Letter Agreement, Authorization to Proceed, or any such other document relating to purchase by Buyer of products and/or services from Seller, these Terms and Conditions shall take precedence.

3. Quotations and Prices

- a. Price quotations by the Seller in a Signed Writing which are not subsequently withdrawn by the Seller are binding upon the Seller for thirty (30) days from the date of the quotation. - b. Prices only apply to the specific quantities, delivery schedule, and scope of work set forth. Any variation in quantity, date of delivery, or scope of work set forth within such written quotation shall render applicable price quotations void and Seller may offer a revised price quotation. All prices are quoted EXW.
- c. Speedcast Government and/or its subsidiaries reserve the right to revise and announce new prices for goods and services. Subsequent Purchase Orders for the same equipment are subject to the revised or newly announced prices.
- d. Prices are quoted exclusive of shipping, use or other taxes and duties, or other applicable charges, domestic or foreign. Buyer shall pay upon receipt of an invoice from Seller and shall reimburse Seller for all such taxes, duties or charges resulting from any transaction or any part thereof.

- c. Unless otherwise specifically provided, delivery of the goods shall be made EXW Speedcast Government, 708 Quince Orchard Road, Suite 120, Gaithersburg, Maryland, 20878, USA, at which time the title and risk of loss shall pass to the Buyer. Unless otherwise stated, Seller shall in no way be responsible for the safe arrival of the shipment.
- d. Where a Purchase Order involves more than one delivery and the Buyer fails to remit payments to Seller when due, the Seller shall have the right to suspend all or any further deliveries pending payment or to terminate a Purchase Order in its entirety by written notice to Buyer.
- e. In the event of a shipping delay by an act or omission of the Buyer, all other terms (e.g. warranties and payments) shall apply as if shipping had occurred on the date originally intended.
- f. In fulfilling its deliverable obligations, Seller reserves the right to substitute items of equivalent or superior quality for items proposed or quoted at any time during the period of performance.

5. Packaging and Shipping

- a. Prices are quoted exclusive of shipping, use or other taxes and duties, or other charges. 6. Inspection/Testing

- a. Unless otherwise agreed upon, all materials or equipment sold by the Seller pursuant to a Purchase Order shall be subject to Seller's reasonable care in testing and inspection at the Seller's facility.
- b. To the extent that the Seller determines that security requirements do not prohibit or limit entry into Seller's facility, Seller agrees that Buyer may enter Seller's facility prior to the shipment date, at reasonable times, and as mutually agreed upon between Buyer and Seller to inspect the goods and materials, and any property of Buyer covered in a Purchase Order. Said inspection shall not include any areas or processes which are proprietary to Seller and shall be subject to Seller's discretion.

12. Limited Warranty
 - a. Unless otherwise delineated in the Seller's quotation or proposal, the following warranty applies to a Purchase Order. Products provided by the Seller are subject to the warranties provided by the manufacturer as legally and contractually permissible for the Seller to pass onto, resell, or assign to Buyer. Unless otherwise specified, the Seller is not the manufacturer of the products and provides no warranty in respect of the products.
 - b. Buyer's exclusive remedies for breach of this warranty shall be those of an end user as set forth in the manufacturer's warranty.
 - c. This warranty shall be in lieu of all other warranties, express or implied, including any warranty of merchantability or fitness for a particular purpose.
13. Confidentiality of Documents
 - a. Buyer agrees not to disclose price quotations, Purchase Orders, and these Terms and Conditions and the contents thereof without a Signed Writing demonstrating the consent of Seller.
14. Force Majeure

Each Party shall bear its own costs associated with the arbitration and the parties shall equally share the filing and other administrative fees of ICC and the expenses of the Arbitrator. In the event that either Party fails to comply with the terms of the Arbitrator's final decision within a reasonable time of said decision, either Party may petition a court of competent jurisdiction to enter a judgment based upon the Arbitrator's final decision. The Arbitrator shall not have the power to award any indirect, incidental, consequential, special, exemplary or punitive loss or

damages. The Arbitrator shall not have the power to order the taking of depositions but may compel attendance of witnesses at the hearing. The arbitrability of any Dispute, including those as to the enforceability of this Section 17(b), the applicability of statutes of limitations and questions of issue preclusion, shall be determined solely by the Arbitrator. Any party may seek a temporary injunction in any court of competent jurisdiction to the limited extent necessary to preserve the status quo during the pendency of final resolution of a Dispute in accordance with this Section 17(b). The statute(s) of limitation applicable to any Dispute shall be tolled upon initiation of the Dispute resolution procedures under this Section 17(b) and shall remain tolled until the Dispute is resolved under this Section 17(b). The Arbitrator shall enforce these Terms and Conditions of Sale and not create a different agreement between the Parties.
